# Klaviyo Data Science Podcast EP 36 | Thereâ€™s No Place Like Home (Page)

Author: Michael Lawson

Claps: 24

Date: Jun 12

Redesigning a home page, especially one thatâ€™s been around for a long time, is a serious endeavor â€" as is redesigning any first interaction with your product. Hear from the Klaviyo product designer and engineers who recently did just that, including their advice on driving a product that has a massive number of stakeholders, building a large front-end product, and filtering out the noise to understand the true impact of a released feature.

You can listen to the full episode on Anchor, or see more details (along with the other 35 episodes) on our podcast blog.
